### Program Features (日本文化体験交流塾 (IJCEE) のプログラムの特徴)

**【外国人に分かりやすく楽しめるプログラム】** Our Experience programs are well devised and custom-designed for people from abroad.

**【外国語のできる日本文化の師範・教授】** Most of our Professionals in tea ceremony and flower arrangement, for example, have a good command of English. Communication is therefore very smooth and they will be able to instruct you directly. We also have French, Chinese and Spanish tour guides available.

**【都心に近い会場。ホテルからの送迎希望にも応じます】** Residential houses for Experience Programs are located within 30 ~ 40 minutes ride and walk from major stations such as Shinjuku, Tokyo and Ueno. The meeting place is the nearest station to the house. Pick-up and return services are also available. A guide can meet you at your hotel upon request.

Though we recommend taking public transportation so you will get to know the metropolitan area better, we can arrange a taxi or hire with you. Pick-up rate is 3,000 yen for 1 group each way within 45 minutes. Transportation costs are not included.
