

Chokenji Temple

Visitor's eyes are immediately attracted to the unique temple gate and the crimson earthen walls surrounding the temple.

. The picturesque atmosphere creates an almost mystical aura. The main Buddhist statue of this temple, Benzaiten, the Goddess of eloquence, music, and art, is usually kept hidden from the public. It is said that this statue of Benzaiten has been revered as a wonder-working deity for improving a person's speech and artistic abilities, protecting against misfortune, and increasing wealth..

Unique fortune telling paper slits are available at this temple, so drawing is recommended.
